

加拿大中醫藥針灸學會

The Chinese Medicine and
Acupuncture Association of Canada
L'Association de Médecine
Chinoise et D'Acupuncture du Canada

Promoting.

Leading.

Advocating.

Our Objectives...

-  Uniting practitioners of Eastern and Western Medicine
-  Accepting only members of high standards of education and training for TCM/A practitioners
-  Promoting TCM and Acupuncture
-  Attending international conferences to participate in the scientific exchange of research
-  Acting as an educational vehicle for the public, and
-  Working in partnership with organizations such as the World Wildlife Fund and the Canadian Health Care Anti-Fraud Association.
