

March 2018

IMPORTANT NOTICE FOR ACUPUNCTURE PROVIDERS

Alberta Blue Cross is pleased to announce that acupuncture providers will be added to Alberta Blue Cross's provider website this April. This means that you will be able to submit patient claims online and access user guides, tips and up-to-date information from Alberta Blue Cross in one central location.

This service will be delivered through our easy-to-use, secure website and will be available at no cost to registered acupuncturists across Alberta.

Simplify with online claim submission

When you register with the provider site, you will have access to online claims submission. This feature offers you the convenience of direct billing for eligible services for your patients with Alberta Blue Cross coverage. Overall, online claim submission can simplify the process for both your office and your patients as you will be able to

- submit claims quickly through an easy-to-use, secure website;
- build your customer base;
- provide greater convenience for your patients;
- receive payments daily;
- verify patient eligibility instantly; and
- save your business money.

Alberta Blue Cross maintains a close working relationship with the health service providers who deliver products and services to our members. We look forward to further building this relationship with the acupuncture providers in our province.

Please watch for the invitation to register package coming to you on March 19.

Alberta Blue Cross provides online billing to dental offices, pharmacies, optical providers, chiropractors, massage therapy providers, physiotherapists, podiatrists and osteopaths.

We are excited to now extend this same service to acupuncturists.

Additional information about this addition will be provided to you as this service launches. If you have any questions, please feel free to contact our Provider Relations team toll-free at 1-800-588-1195 or by email at healthinq@ab.bluecross.ca.
